Directions from Buffalo International Airport (BUF)

Hemel Engineering is located North / West from BUF conveniently off major highways.

Leaving BUF, follow 33 West (Straight out of the airport). Watch for signs for the I-90 East to Niagara Falls / Albany, approximately 1.35 miles from the airport. Remaining in the right lane, take I-90 East. Watch for the signs for I-290. Take the I-290 approximately 10.0 miles watching for the I-190 North (Niagara Falls).

Take the I-190 North over Grand Island (Toll \$0.75), after the second bridge you will enter Niagara Falls. Watch for exit 23, Packard Road. Take this exit and at the bottom of the ramp, turn right. Move quickly into the left lane. At the second light, turn left onto Military Road, route 265. Continue on Military Road to the first traffic light. Turn right, east, onto Lockport Road. Travel 0.3 miles, Hemel Engineering is the second building on the left.
